If however you enjoy playing against a real opponent then this great soccer franchise comes to life and youll more then get your monies worth.. FIFA 06: Road To FIFA World Cup does fall into that category of launch game but in this case it still may be worth picking up.. Choose from 16 formations, 8 strategies, 20 players and 9 adjustable player skills.. Even the commentary comes across polished as does most of the game in classic EA style.. The graphics look great with only a few issues such as framerate hiccups, the control is user friendly and easy to pick up, and the AI puts forth a respectable effort and creates a challenging opponent..
